

1/15/26- There is a known problem with group texting(I believe Verizon users only). So I will be putting league updates on here. So please check the website periodically. We are full as of right now with number of verbal commitments and daylight mother nature provides us. Because we are expanding, the league will start Thursday 4.30.26 and every week the first tee time will be 4:30p.m. League meeting is as previously stated 3.7.26 at 9:00a.m. at Mason Jar(bottom of proshop at Bluffton Golf Club). League dues of \$50/individual or \$100/team are due by the meeting. I strongly suggest all teams (new/old) try to have at least one of their team members present because we will go over important details about league. If you cannot make the meeting please send league dues in form of check (don't mail cash) to:

Mike Inskeep
